

FIN-FINANCE (FIN)

FIN 2100 Personal Finance (3 Credits)

This course is a survey of the problems and techniques of personal financial planning. Topics include consumer credit, insurance, taxes, home ownership, personal investments, managing cash income, controlling expenditures, retirement planning, and estate planning.

FIN 3400 Financial Management (3 Credits)

Students will develop knowledge, skills, and abilities regarding the concepts of financial management such as planning and resource allocation within organizations. In addition to the time-value of money, the nature of financial markets, cost of capital, valuation of stocks & bonds, and financing, there will be a special focus on the process and strategy involved in an organization deciding how to make effective and efficient decisions with limited resources.
