

LEARNING CENTERS

The mission of the LSSC Learning Centers is to provide a supportive and comfortable learning environment as well as multi-disciplinary academic support for students at all levels of their college careers. This mission will be achieved by providing students with up-to-date resources and services including:

- Multidisciplinary professional and peer tutoring
 - Staff tutoring in math, English, science, and other subjects
 - Editing assistance with writing and presentations
 - Assistance with language skills in English, French, and Spanish
 - Biological science manipulatives
 - Computer access and assistance with courses
 - Computer-assisted tutorials
 - Online virtual tutoring
 - Preparation for standardized exams
 - Additional assistance for students with disabilities
 - Meeting and planning areas for project- and study-groups
 - Textbook Lending Library
 - Group orientation, training, and support sessions for non-traditional students
 - Help with homework
- Faculty are welcome to bring classes to use LC facilities for supplemental teaching and learning, use of software, individual assistance, and office hours.

The goals of the Learning Center include:

- Working closely with faculty and administration to provide support for all students' academic endeavors
 - Training quality professional- and peer-tutors with multidisciplinary and bilingual skills
 - Providing assistance, as needed and appropriate, for community training efforts
 - Supporting student activities and services by offering meeting space, computer access, and staff participation
 - Providing flexibility in times and modes of accessing services
 - Creating a campus environment that is welcoming and conducive to learning and sharing knowledge
 - Providing specialized sessions and programs that are designed and delivered upon request
